Digital Marketing Intern – Paramartha (<https://paramartha.org/>)

Jun'2024 – Aug'2024

NGO focused on education, health, environment, and community development

- Led digital outreach efforts that increased the foundation's social media engagement by **40% over 3 months**, using content strategies tailored to promote educational, environmental, and health initiatives.
- Created and scheduled content across platforms (Instagram, Facebook, LinkedIn), including campaign graphics, reels, and awareness posts, helping reach over **10,000+ people** organically.
- Managed email marketing campaigns to engage donors and volunteers, achieving an **open rate of 32%** and improving volunteer sign-up rates.
- Collaborated with the team to design digital flyers, infographics, and storytelling content that showcased the impact of projects like medical camps and tree plantations.
- Used basic SEO practices and analytics tools (e.g., Meta Insights, Canva, Google Sheets) to optimize post timing and monitor campaign performance.
- Supported donor campaigns through online fundraising promotions, helping raise approximately **₹1.5 lakhs** to fund education and health programs.

Digital Fundraising Intern – Muskurahat Foundation (<https://www.muskurahat.org.in/>)

Sep'2023 - Oct'2023

Empowering underprivileged children across India through education, life skills, and mental well-being programs

- Spearheaded **digital fundraising campaigns** across platforms like Instagram and WhatsApp, contributing to a **collective fundraising goal of ₹2 lakhs+** for education and mental wellness programs.
- Developed targeted messaging strategies tailored to different audience segments, increasing donor response rate and volunteer inquiries during campaign windows.
- Used **Google Sheets and CRM tools** to track donor communication, ensuring timely follow-ups and acknowledgments to maintain donor relations.
- Collaborated with cross-functional teams to design campaign creatives, write impact stories, and schedule content that aligned with Muskurahat's brand voice and goals.
- Contributed to building a **donor outreach database of 500+ individuals**, facilitating future fundraising and communication initiatives.
